

PureClean 1000

Environmental Effective Floor Cleaner

PureClean 1000 is an environmentally safe solution developed specifically for use in floor scrubbers at high dilution ratios and can be utilized as a cleaning concentrate for all other interior cleaning surfaces that are not affected by water.

PureClean 1000 incorporates surfactants and builders into a super concentrated cleaner to achieve optimum results by allowing hard water dilutions to rinse free leaving residue free shiny surfaces.

PureClean 1000 is a low foam formulation making it excellent for automatic scrubbers

Dilution Ratios:

Floor Cleaning	1:64 2 oz Cleaner to 1 Gallon Water 1 ½ Gallon Cleaner to 100 Gallons of Water
Automatic Scrubbers	1:64 2 oz Cleaner to 1 Gallon Water 1 ½ Gallon Cleaner to 100 Gallons of Water
Interior Surfaces	1:20

Advantages:

- Saves Money – Effective at High Water Dilutions
- Safe to Use on Most Surfaces
- Non-Hazardous, Non Toxic, Non Corrosive
- Non Flammable, No Fumes
- Rinses Freely without Residue
- Environmentally Safe
- No Dyes or Scents
- No Phosphates, Glycol Ethers, or EDTA
- No VOCs, No Solvents

Manufacturers Part Numbers:

- 5 Gallon Pail: INGCGCCLXPCL1KPL
- 55 Gallon Drum: INGCGCCLXPCL1KDR
